Proskauer

European Regulatory Timeline 2022

January 20, 2022

Following the turn of the new year, our UK Regulatory specialists have examined the key regulatory developments in 2022 impacting a range of UK and European firms within the financial services sector. The key dates have been distilled by the Proskauer team in an easy to read timeline with our commentary.

Please get in touch with the key contacts at the left of this post for further information or with questions on these developments.
