Technology, Media & Telecommunications Alumni Connect Happy Hour

December 30, 2025

In mid-November, the Technology, Media & Telecommunications (TMT) Group welcomed alumni to its first-ever Alumni Connect Happy Hour, held at the Gansevoort Rooftop in New York City.

Former colleagues representing A+E Global Media, Google, Meta, MLB, NBA, NHL and Warner Bros. Discovery gathered with current Proskauer attorneys to celebrate the Firm's 150th anniversary. Guests enjoyed lively conversation, cocktails and light bites while reconnecting with friends and building new relationships across the TMT community.

The event also served as a key step in the expanded alumni engagement initiative of the TMT Group, led by co-chairs **Rob Freeman** and **Jeff Neuburger**, to strengthen alumni connections through a series of social and substantive programs.

"We are thrilled to bring our incredible alumni network together to connect with each other and our current TMT team," said **Laura Goldsmith**, a partner in the TMT Group who helped plan the gathering. "We all share many experiences, goals and challenges. Creating space for those shared experiences to spark meaningful conversations and lasting connections across our alumni community and the broader TMT industry is deeply rewarding."

The gathering also generated significant buzz among alumni.

"Beyond the great conversations, it was an excellent opportunity to learn what the alumni network is doing and build stronger bridges across the industry."

“Proskauer's TMT Alumni Connect Happy Hour was a wonderful opportunity to reconnect with old friends and colleagues and meet other Proskauer TMT alumni,” said **Paresh Trivedi**, who handles content partnerships, including media distribution deals and business development, at the NBA. “It's remarkable to see how widespread the influence of Proskauer's TMT alumni is within the TMT bar and business community in New York City. I look forward to attending future Proskauer TMT alumni events.”
