## Regulation Round Up

# Welcome to the Regulation Round Up, a regular bulletin highlighting the latest developments in UK and EU financial services regulation.

Key developments in May 2022:

### 31 May

The European Securities and Markets Authority ("**ESMA**") published a <u>Supervisory Briefing</u> to ensure convergence across the European Union in the supervision of investment funds with sustainability features, and in combating greenwashing by investment funds.

ESMA published a final <u>report</u> (ESMA34-45-1673) on the review of costs and fees for investment funds, which was carried out with national competent authorities during 2021.

The International Sustainability Standards Board launched a consultation on its first two proposed standards. One focusing on <u>general sustainability-related disclosure requirements</u> and the other on <u>climate-related disclosure requirements</u>.

## 26 May

The Financial Conduct Authority ("**FCA**") published a <u>discussion paper</u> (DP22/2) laying down its response to feedback regarding the July 2021 consultation (CP21/21) in relation to the listing regime and asks for additional feedback on potential reforms.

## **25 May**

ESMA published a <u>Commission Decision</u> (C(2022) 3051) and <u>Annex</u> containing a set of answers about the Sustainable Finance Disclosure Regulation ((*EU*) 2019/2088) ("**SFDR**" or "**Disclosure Regulation**") and the Regulation on the establishment of a framework to facilitate sustainable investment (EU/2020/852) ("**Taxonomy Regulation**"), which the European Commission adopted on 13 May 2022.

The EU Commission launched a <u>consultation</u> to help with the evaluation of the rules for financial benchmarks administered outside the EU.

ESMA published its <u>final report</u> on the MiFID2 framework and the best execution of reports by investment firms.

## 24 May

The EU Commission adopted an <u>Implementing Regulation</u> which amends the implementing technical standards on benchmark portfolios, reporting templates and reporting instructions for reporting under the Capital Requirements Directive.

The <u>Commission Delegated Regulation (EU) 2022/803</u> was published. It specifies the rules of procedure for ESMA's power to impose fines or periodic penalty payments on data reporting service providers.

#### **23 May**

The EU Commission published a <u>report</u> on the functioning of the European Supervisory Authorities, comprising the ESMA, the European Banking Authority ("**EBA**") and the European Insurance and Occupational Pensions Authority.

The EU Council agreed its <u>stance</u> on the EU Commission's suggested amendments to the Regulation on European long-term investment funds (*(EU)* 2015/760) ("ELTIF Regulation") (2021/0377(COD)). The EU Council has also published the <u>final compromise text</u> adopted as the mandate (8840/1/22).

The Bank of England ("**BoE**") and FCA published a joint discussion paper (DP22/1) on the money market fund policy reform.

#### **20 May**

ESMA published an updated version of its <u>Q&As</u> (ESMA34-32-352) on the application of the Alternative Investment Fund Managers Directive (EU/2011/61) ("**AIFMD**").

The <u>Commission Delegated Regulation (EU) 2022/786</u> was published in the Official Journal. This amends the Liquidity Coverage Ratio Delegated Regulation under the Capital Requirements Regulation.

The FCA has published a <u>speech</u> by Charles Randell, FCA Chair, on regulating finance for the whole of the UK. Among other things, it covers the importance of partnerships and policy cohesion, and the regulation of issuing and trading purely speculative crypto tokens.

#### **19 May**

The Network for Greening the Financial System published two documents (<u>one</u> and <u>two</u>) to help central banks and regulators in their monitoring of the financial sector and in their central bank operations.

The FCA published a policy statement (PS22/5) on its new cancellation and variation power.

#### **18 May**

The EU Parliament's Committee on Economic and Monetary Affairs ("**ECON**") published a <u>draft report</u> on the Commission's proposal for a directive that will amend the AIFMD and the Collective Investment in Transferable Securities ("**UCITS**") Directive ("**AIFMD2**").

#### **17 May**

The EU Commission adopted a <u>Delegated Regulation</u> which lays out the regulatory technical standards on emerging markets and advanced economies under the Capital Requirements Regulation.

The ESMA published a <u>consultation paper</u> on draft technical standards in regard to crossborder marketing and management of funds in the EU under the Undertakings for the UCITS Directive and AIFMD.

#### **16 May**

ESMA published six final <u>reports</u> on the central counterparties resolution regime under the CCP Recovery and Resolution Regulation.

ESMA issued a <u>public statement</u> on the implications of Russia's invasion of Ukraine on investment fund portfolios and fund managers' responsibilities to investors.

#### **13 May**

The FCA published the <u>final notice</u> (dated 12 May 2022) it has issued to Alexander Jon Compliance Consulting Ltd in which it refuses to authorise it to provide regulatory hosting services.

ESMA published a <u>document</u> (JC 2022 26) from the Joint Committee of the European Supervisory Authorities listing questions for the European Commission about the interpretation of the SFDR and the Taxonomy Regulation.

#### **12 May**

The EU Commission adopted a <u>Delegated Regulation</u> that amends the regulatory technical standards on the specification of the calculation of specific and general credit risk adjustments under the CRR.

The UK Department for Business, Energy and Industrial Strategy published a <u>call for</u> <u>evidence</u> on updating the UK government's July 2019 Green Finance Strategy.

#### **11 May**

The EU Parliament came to a <u>provisional political agreement</u> with the EU Council on the EU Commission's proposed Digital Operational Resilience Act.

The EBA published its annual report on the convergence of supervisory practices for 2021.

The UK Government launched a <u>call for evidence</u> to support the development of an update to the UK's Green Finance Strategy.

The Wolfsberg Group published a <u>document</u> containing FAQs on how negative news screening can enhance financial institutions' awareness of potential financial crime risk posed by both existing and prospective customers.

#### 9 May

The Joint Committee of the European Supervisory Authorities published a joint supervisory statement concerning the What is this product? Section of the key information document ("KID") requirements for packaged retail and insurance-based investment products ("PRIIPs").

#### 6 May

ESMA published a <u>letter</u> from the European Commission to the European Supervisory Authorities requesting that they propose amendments to the adopted Commission Delegated Regulation (C(2022) 1931 final) supplementing the Sustainable Finance Disclosure Regulation (*(EU) 2019/2088*) with regard to regulatory technical standards on content and presentation of information ("**SFDR RTS**").

The Prudential Regulation Authority ("**PRA**") published its <u>policy statement</u> (PS4/22) laying out its expectations of firms engaged in trading activities which may affect their financial stability and ability to carry out a wind-down of these activities.

The PRA has published a <u>statement</u> setting out its view on the EBA guidelines relating to the management of non-performing exposures and forborne exposures.

#### 5 May

The EBA published an <u>update</u> to its implementing technical standards on data collection for the 2023 supervisory benchmarking exercise of the internal approaches used in market and credit risk and IFRS9 accounting.

The FCA published a <u>speech</u> given by Nikhil Rathi, FCA Chief Executive, on how to capitalise on innovation.

The FCA published a new <u>webpage</u> setting out the findings from its investment platforms costs and charges review.

#### 3 May

The EBA published its <u>reply</u> to the EU Commission's call for advice on its analysis of the macro-prudential framework.

The EBA published updated <u>guidelines</u> for assessing equivalence of professional secrecy and confidentiality regimes of third country authorities, to widen scope and purpose of the assessment.

ESMA published <u>translations</u> in the official EU languages, including the <u>English language</u> <u>version</u>, of its updated guidelines on stress test scenarios under the Regulation on money market funds (*(EU) 2017/1131*) ("**MMF Regulation**") (ESMA34-49-446).

#### 2 May

The EBA published a <u>discussion paper</u> on the part environmental risks play in the prudential framework for credit institutions and investment firms.

The Joint Committee of the European Supervisory Authorities published a <u>report</u> (JC 2022 20) setting out their technical advice to the European Commission in response to a call for advice on the Commission's review of the PRIIPs Regulation (EU/1286/2014).
