# IRS Issues Guidance for Victims of Madoff and Other Ponzi Schemes on Theft Loss Deductions

Today, the Internal Revenue Service issued guidance regarding losses incurred on Madoff investments and other Ponzi schemes. Revenue Ruling 2009-9 sets forth the Internal Revenue Service's positions with regard to the character, amount and timing of such losses and the application of the carryback provisions to the losses, including, in certain cases, providing a five year carryback period. Revenue Procedure 2009-20 provides safe harbors with regard to the claiming of these losses. Also for quick reference see Internal Revenue Service summary of the revenue ruling and revenue procedure.
