

OFCCP Launches New Database to Help Contractors Identify Candidates with Disabilities and Protected Veterans and Facilitate Relationships with Organizations

Government Contractor Compliance & Regulatory Update Blog on **March 21, 2014**

On March 13, 2014, the Office of Federal Contract Compliance Programs (OFCCP) launched a new database (1) to help contractors find qualified workers with disabilities and veterans, and (2) to assist contractors in establishing relationships with national organizations and local community groups that have access to these workers...
