

# Washington State Amends Breach Notification Law to Expand Notification Requirements

**Privacy Law Blog** on **April 28, 2015**

On April 23, 2015, Washington State Governor Jay Inslee signed into law a bill strengthening the state's data breach notification law (amending Wash. Rev. Code §§ 19.255.010 and 42.56.590 and creating a new section). H.B. 1078 makes the following substantial changes to the existing law... [Continue Reading](#)
