

Critic of High-Frequency Trading Receives SEC Whistleblower Bounty Award

Whistleblower Defense Blog on **March 9, 2016**

According to a MarketWatch report, Eric Hunsader of Nanex LLC has identified himself as is the recipient of a more than \$700,000 Dodd-Frank whistleblower bounty award.

According to Hunsader, the information he provided to the SEC led to a \$5 million fine of the New York Stock Exchange... [Continue Reading](#)
