

# CFTC Issues Record-High Whistleblower Bounty Award

**Whistleblower Defense Blog** on **April 12, 2016**

On April 4, 2016, the U.S. Commodity Futures Trading Commission (CFTC) issued its third and largest award, of more than \$10 million, as part of its Dodd-Frank whistleblower program. As was the case with the CFTC's two previous awards of \$240,000 and \$290,000—announced in May 2014 and September 2015, respectively—the Agency did not provide details about the whistleblower or the information that led to the enforcement action...
