

# Satellite TV Provider Not Required to Offer Credit When Channels Go Dark

**New Media & Technology Law Blog** on **October 18, 2016**

Expanded Basic. Choice. Choice Plus. Cable and satellite TV customers pay monthly fees for bundled channel packages of different sizes. The packages are becoming "skinnier," allowing you to customize your service from a set of modules (i.e., the Family package, the Sports package, various language packages, etc.). But each module is still a pre-set bundle of channels... [Continue Reading](#)
