

Halo Shines Bright in D. Mass.

New England IP Blog on **August 15, 2016**

A recent order from the District of Massachusetts sheds light on how the Supreme Court's June 2016 decision in *Halo Electronics v. Pulse Electronics* is being interpreted by the district courts. The Memorandum and Order by Chief Judge Patti B. Saris denied a request for enhanced damages by plaintiff, Trustees of Boston University ("BU")...
