

SEC Approves New Nasdaq Rule 5250(b): Disclosure of “Golden Leash” Arrangements

Tax Talks Blog on July 13, 2016

The SEC recently released an order (available [here](#)) approving new Nasdaq listing standard 5250(b)(3), which will require a public issuer to disclose cash and non-cash remuneration (e.g., health insurance, indemnification) that a third party has agreed to pay a director on (or director nominee for) the issuer’s board of directors...
