

# SEC Speaks: 2017 Enforcement and Exam Trends for Private Funds

The Capital Commitment Blog on March 13, 2017

At the recent SEC Speaks program, sponsored by PLI, senior SEC staff members provided valuable insight into the SEC's 2017 priorities for private funds. While the tenor of this year's discussion seemed to focus more on retail investors, the staff discussed several topics that private fund advisers should keep in mind from both an enforcement and exam standpoint...
