

Chambers and Partners Releases Pharmaceutical Advertising 2018 Guide

Mind Your Business Blog on **October 20, 2017**

Chambers and Partners released its first ever Pharmaceutical Advertising 2018 guide, authored by Proskauer partners [Lawrence Weinstein](#) and [Alexander Kaplan](#) with assistance from several litigation associates. The guide provides a comprehensive look at the laws and regulations governing pharmaceutical advertising in various markets, and provides important developments in the most significant jurisdictions and legal commentary on key issues for businesses.
