

Private Credit Group and Lincoln International Credit Markets Event

September 25, 2017

This summer, Proskauer and Lincoln International convened private equity sponsors and private credit providers for an exclusive look at the state of the market. During the evening, Proskauer and Lincoln shared their analysis of current market trends, which they derived from their proprietary databases. The event provided a half-year sneak peek as to the trends in the market and a rich evening of networking among sponsors and lenders. Attendees also received copies of Proskauer's 1H 2017 Private Credit Highlights report and a report from Lincoln on pricing, leverage, and industry trends from Lincoln's database of over 1,100 companies.
