

# Proskauer Named Law Firm of the Year in Furthering Women's Career Progression, Talent Management and Mentoring by Chambers USA

June 25, 2018

June 25, 2018 (NEW YORK) – The Firm was recognized by *Chambers USA* as Law Firm of the Year in Furthering Women's Career Progression, Talent Management and Mentoring.

*Chambers USA* praised Proskauer for its initiatives focused on career progression such as the Women's Sponsorship Program, which pairs female associates, senior counsel and junior partners with senior partners who not only advise them but proactively advocate on their behalf. The Firm also supports the Proskauer Women's Alliance, which advises the Firm's management on issues unique to women lawyers and provides training on a range of topics for female associates. The Firm was also commended for its innovative Caregiver Return (CaRe) program, which allows lawyers to return from parental leave to work on a 75% schedule and receive 100% of their pre-leave compensation; the New Parent Career Coaching Program, which assigns career coaches to help new parents navigate work-life balance; and the Proskauer Caregivers Network, which administers programs and speaker series on the unique issues concerning working caregivers.

*Chambers USA's* Women in Law awards acknowledge firms that serve as leaders and innovators in supporting women lawyers. Through this award, Proskauer is recognized not only as a progressive environment for women in law, but as a pioneer in cultivating positive change for all women in the legal field.
