

# Proskauer Advises One Peak on Series E Funding Round in DocPlanner

**May 17, 2019**

May 16, 2019 (London) – International law firm Proskauer has advised One Peak, a specialist investor in exciting growth stage technology and tech-enabled companies in Europe, on its investment in DocPlanner as lead investor on the company's Series E funding round.

DocPlanner is an online booking platform for healthcare appointments and operates both a consumer-facing marketplace, and provides software-as-a-service (SaaS) for healthcare providers, including individual doctors, dentists and other healthcare professionals, and for small and large clinics.

One Peak is a specialist private equity firm investing in growth stage technology and tech-enabled companies. It provides growth capital to exceptional entrepreneurs with a view to transform innovative and rapidly growing businesses into lasting, category-defining industry leaders.

Proskauer is one of One Peak's preferred counsel of choice, with the private equity team having recently also advised One Peak on its investment in Neo4j.

The Proskauer team was led by partner Richard Bull and included associates Thomas Wood and Jack Morant (Private Equity and Mergers & Acquisitions). The Proskauer team was assisted by Kochanski & Partners which provided advice on Polish law aspects of the transaction.
