

Private Credit

Summit 2019

October 1, 2019

Join fellow investors at Proskauer's Private Credit Summit 2019 for an afternoon full of expert panels covering a diverse range of topics from the state of the market to fundraising, compensation and enforcement trends.

We have an array of breakout topics to choose from including:

- Investment opportunities and challenges 2020 and beyond
- Fundraising trends in private credit
- Private credit management teams and developments in compensation
- Risks and rewards for private credit in the next restructuring cycle
- Updates and insights on the latest regulatory and enforcement matters
- Navigating European and cross border transactions
- Industry spotlight: health care investment trends
