

Proskauer Advises G Square Healthcare on its Latest €500 Million Fund

January 23, 2020

January 23, 2020 (London) – International law firm Proskauer has advised specialist health-care investor G Square Healthcare Private Equity on its G Square Capital Partners III €500m fundraise.

G Square is dedicated to investing in European mid-cap Healthcare companies with high growth potential. Proskauer led on all fundraising aspects, having successfully led the fundraising for the prior fund just three years before.

The Proskauer team was led by investment funds partner Nigel van Zyl alongside associates Chris Elson and Elise Crichton.

Our Private Funds Group offers the complete package of services to private funds and investors. With over 150 specialists in tax, ERISA, regulation, employment, litigation and risk management, we understand the business objectives and dynamics of fund sponsors, limited partners and the private fund business as a whole. We advise across the asset class on the full range of matters, going beyond fund formation and fund raisings. We act as outside general counsel to our clients, advising on internal governance, compliance and organization, carried interest and co-investment arrangements, spinouts, reorganizations and fund restructurings. We also represent a range of institutional investors on their alternative investment programs.
