Proskauer Advises on Acquisition by Searchlight Capital of Global Risk Partners

February 4, 2020

February 4, 2020 (London) – International law firm Proskauer advised the management team of Global Risk Partners ("GRP") on the business's majority acquisition by Searchlight Capital. The deal continues a rising trend over the last year of U.S. private equity companies investing in European insurance businesses.

Founded in 2013, GRP is a leading independent insurance intermediary. Today, GRP is the UK's second largest independent insurance intermediary with Gross Written Premium approaching £800m and more than 1,600 employees.

The Proskauer team was led by partners Alex Griffith (Private Credit), Daniel Hendon (Private Credit), Richard Bull (Private Equity/ M&A), and Stephen Pevsner (Tax) and associates Jessica Viner (Private Credit), Jessica Donnellan (Private Credit) and Thomas Wood (Private Equity/ M&A).

Alex Griffith commented, "We are delighted to have supported the Management team over the last five years as they have raised additional acquisition finance and now have secured a transformative investment from Searchlight Capital."

Proskauer has 725+ lawyers serving clients from 12 offices globally. We advise on the full spectrum of sophisticated transactions and daily business and regulatory matters. Our clients extend across industries and borders, ranging from asset managers to large public companies, to the major sports leagues to entrepreneurs. We have particular transactional experience in a number of sectors including financial services, private equity, business services, chemicals, insurance, media, health care, life sciences, hospitality, sports and technology.
