

SPAC Market Updates and Structuring Considerations

September 29, 2020

The resurgence of SPACs in 2020 is consistently making front page news with the number of SPAC IPOs continuing to increase and business combinations getting done with high-profile targets.

We invite you to this special panel for an in-depth discussion of what's market for SPAC IPOs and related structuring considerations. The focus of the discussion will be an in-depth look at the findings of Proskauer's comprehensive [2020 SPAC IPO Study](#) and what SPAC sponsors and management teams should consider as they set out to launch a SPAC in the current market.

Please join Proskauer for a discussion on our findings regarding the resurgent SPAC market, including:

- A review of our 2020 study
- An update on recent SPAC trends beyond our research period
- Structuring considerations for sponsors considering a SPAC
- A look at market trends related to offshore SPACs
