Transatlantic team advises on sale of electricity-based vehicle charging providers in Los Angeles & London

London and Los Angeles, October 13, 2020— Proskauer, a leading international law firm, announced today that it represented longtime client Bolloré Group on the sale of two electric vehicle (EV) charging providers located in London and Los Angeles.

Bolloré Group is a French multinational company engaged predominately in electricity storage and systems, transportation and logistics, as well as media and communications.

In the U.K., Proskauer acted for the Bolloré Group on their sale of Bluepoint London which owns and operates Source London, the capital's only citywide network of on-street charge points powered by 100% green energy.

In Los Angeles, Proskauer acted for the Bolloré Group on their sale of Blue LA. Blue LA provides electric vehicle charging equipment and services focused on serving low-income communities in Los Angeles. Members have access to a network of shared electric vehicles 24-hours a day, 7 days a week, at self-service locations.
