

# Proskauer Ranked by Financial Times Innovative Lawyers North America 2020

**December 15, 2020**

December 15, 2020 – Proskauer, a leading international law firm, today announced that it has been ranked by Financial Times Innovative Lawyers North America 2020 as one of the “Most Digital Firms.”

FT has published its special report on innovation in the legal sector for 11 years. This year’s report includes the inaugural “Most Digital Firms” ranking, a list which is based on FT’s assessment of innovative uses of data and technology in the North American legal sector. Proskauer is 12th among just 21 law firms ranked after researchers analyzed 247 submissions, as well as interviews with clients, executives and experts.

Proskauer’s innovation strategy is to continuously enhance client service with proprietary data insights, optimize data governance, and create efficiencies using innovative applications of client-matter data. We are well known for providing practical solutions for our clients. Our Private Credit Group and Private Funds Group have been evolving their market intelligence for clients, building cloud-based online tools. As a go-to employment law firm, we developed *ProTrack COVID-19*, an online resource to give clients a comprehensive, interactive tracker consolidating new rules, regulations, orders and guidance on a state-by-state and local basis in relation to return to work policies.
