

Navigating GP-led Liquidity Processes: A Keynote Interview

Buyouts Magazine on June 1, 2021

Buyouts Magazine recently sat down with Proskauer partners Mike Suppappola and Chris Robinson as they shared their insights on the secondaries market and specifically, the state of the market from the secondary buyer perspective. In this interview, Mike and Chris discuss key focus areas for buyers to consider as they navigate the continued momentum of GP-led liquidity processes, the anticipated surge in demand for traditional LP portfolio deals, and what developments and deal drivers they anticipate for the remainder of this year and next.
