

Here's How Investors Should Prepare for New Metaverse Laws

CNBC's Squawk on the Street on **February 9, 2022**

As investments around the metaverse continue to increase, so do the legal questions and risks for companies in the space. Partner Jeff Neuburger, co-head of Proskauer's Technology, Media & Telecommunications Group, joined CNBC's *Squawk on the Street* to discuss the legal challenges posed by the metaverse including IP, content moderation and privacy.
