Since 1999, Chambers and Partners have been researching the global legal profession, identifying the leading lawyers and law firms. *Chambers Global* ranks the top lawyers and law firms in more than 200 jurisdictions around the world. Rankings are based on in-depth research and are determined by interview with thousands of lawyers and their clients worldwide. This year, *Chambers Global* received more than 2,500 direct submissions and conducted over 8,000 phone calls with references and market sources. The results are audited independently and are based on a range of professional qualities most valued by clients.
