

Proskauer Advises Ares Management in Backing Eagle Football's Acquisition of Ligue 1 Club Olympique Lyonnais

January 4, 2023

NEW YORK and LONDON, January 4, 2023 - Proskauer, a leading international law firm, announced today that it advised funds managed by Ares Management Corporation ("Ares") on the financing of Eagle Football Holdings Bidco Limited's ("Eagle Football") acquisition of a significant controlling stake in French Ligue 1 football club, Olympique Lyonnais Groupe SA ("OL"). In connection with the transaction, funds managed by Ares have also invested in Eagle Football Holdings Limited alongside highly experienced investors, Iconic Sports and Elmwood Partners.

Established by John Textor, Eagle Football Group creates a unique model of football ownership, focusing on historic, top-level clubs in major markets. The group fosters collaboration between clubs and communities to improve fan enjoyment and strengthen competitive outcomes.

This complex, multijurisdictional transaction spanned the U.S., the UK, Belgium, Brazil and France, and will allow Olympique Lyonnais to join Eagle Football's other football interests under one holding group, including English Premier League club, Crystal Palace, Brazil Serie A Club, Botafogo de Futebol e Regatas, and Belgium First Division B Club, RWD Molenbeek.

"This cross-border transaction underscores the critical role that firms like Ares can play in supporting sports organizations, like Eagle Football," said Justin Breen, a partner in Proskauer's Private Credit Group and head of the Firm's Leveraged Finance Group. "Through this complex transaction, we were able to play to our strengths and leverage our deep experience in alternatives and sports law to advise Ares on another industry-leading opportunity."

“We were proud to advise Ares on another transformative transaction. This investment further positions Ares as a long-term investor in, and flexible provider of, capital to sports leagues and teams,” said partner Jon Oram, a member of the Firm’s Sports Law Group.
