

Proskauer Advises Major League Soccer on Expansion to San Diego

May 22, 2023

Club is the 20th Expansion Proskauer has Handled for MLS

NEW YORK, May 22, 2023 – Proskauer, a leading international law firm, announced today that it advised Major League Soccer, L.L.C. (MLS) on the League’s expansion to San Diego. The San Diego club marks the thirtieth (30th) team in the League and the twentieth (20th) expansion transaction that Proskauer has handled for MLS. The San Diego club will begin League play in 2025 at Snapdragon Stadium, a 35,000-seat venue located on San Diego State University’s campus that is currently home to the National Women’s Soccer League’s San Diego Wave FC and a host venue for the 2023 Concacaf Gold Cup.

The club will be owned by Mohamed Mansour and the Sycuan Band of the Kumeyaay Nation. Mansour is an entrepreneur, investor and philanthropist with deep, global ties in the soccer world. The Sycuan Tribe, one of 12 Kumeyaay tribes in San Diego County, becomes the first Native American tribe to have an ownership stake in professional soccer in the U.S. with its investment into the club. Also joining the investor group is six-time Major League Baseball All-Star and San Diego Padres infielder Manny Machado.
