

Vinay Kohli Named Top Health Care Lawyer by The Daily Journal

The Daily Journal on July 6, 2023

LOS ANGELES, July 6, 2023 - Proskauer, a leading international law firm, is pleased to announce that partner [Vinay Kohli](#) has been named a 2023 Top Health Care Lawyer by *The Daily Journal*. The annual list recognizes leading California lawyers who advise on some of the biggest health care transactions, litigation and counseling.

Vinay is partner in Proskauer's Litigation Department and member of its Health Care group, and one of the few trial lawyers in the U.S. who doubles as a health care regulatory attorney. His dual skillset has enabled him to represent health care clients in complex matters.

Vinay represents provider-aligned clients across the health care industry, including hospital systems, physicians and post-acute care facilities as well as health care technology and revenue cycle management companies. He also advises and counsels health care, private equity, and private credit clients on health care regulatory and compliance issues.

Recently, Vinay led a team of Proskauer lawyers in multi-forum litigation between two revenue cycle management competitors, Zotec Partners, LLC and Collaborative Imaging. Zotec alleged that Collaborative Imaging, LLC and its affiliates allegedly misused certain confidential information to lure away Zotec customers; Collaborative Imaging and its affiliates alleged that Zotec had caused harm from incorrect billing and coding. The case spotlighted the intellectual property ownership rights of providers and patients, and the vendors that service them, as well as the downstream impact of a billing vendor's conduct on providers and patients.
