

2023 Proskauer Alumni London Dinner

October 10, 2023

In mid-September, Proskauer hosted a small gathering of our UK-based alumni who work in the asset management space for an evening of conversation and networking alongside friends and former colleagues.

The dinner attracted alumni from Arcmont Asset Management, Ares Management, Capital Generation Partners, Glendower Capital, and One Peak Partners, among others.

For Proskauer's London office, this marked the first time ever hosting a dedicated, formal alumni event and there is already interest in hosting another gathering in the future.

"I thought it was a great idea and a great event. It was very good to reconnect with a bunch of alumni we hadn't seen in a while," said [Alex Griffith](#), a partner in the Corporate Department and a member of The Private Credit and Finance Groups. "I'd certainly be supportive of doing something similar again . . . and I think our alumni would also be receptive to coming along again."
