A Change in the LP-GP Balance of Power: A Special Keynote Interview

Private Equity International on **May 2, 2024**

Amidst a lull in exits and increased pressure on liquidity, fund managers are facing a challenging fundraising environment. In a keynote interview, private funds partners Ryan Carpenter and Aranpreet Randhawa sat down with Private Equity International to discuss how fundraising conditions have changed over the past few years, the macro factors behind the shift and, of course, what it means for GPs and LPs moving forward.
