

Proskauer Advises Apollo Funds on New Continuation Vehicle in Partnership with SCI Capital Partners

October 11, 2024

NEW YORK, October 11, 2024 – Proskauer, a leading international law firm, announced today that it advised funds managed by Apollo (NYSE: APO) (the "Apollo Funds") in the closing of a structured continuation vehicle transaction in partnership with SCI Capital Partners LP ("SCI"). The vehicle will support the continued growth of SCI-owned companies Morton Salt and Reddy Ice. Apollo Funds anchored the transaction with support from a high-quality syndicate of institutional investors.

Morton Salt is the largest pure-play salt company globally, with a 175-year operating history and leading positions across end markets and salt categories, as well as a diverse and brand-loyal customer base. Reddy Ice is the largest packaged ice manufacturer in the United States with diversified sales channels across retail markets and an extensive installed base of machines and merchandisers across geographies. As previously announced, Reddy Ice recently made its first international acquisition of Fábrica de Hielo Apodaca, S.A. de C.V. (known as Aguafría), the largest ice manufacturer in Mexico.

SCI will continue to control both companies, while benefitting from the strategic support, sector and operational expertise of the Apollo platform. SCI legacy investors and company management teams remain significant investors.

The Proskauer team was led by partners Christopher Robinson and Blake Halperin (Private Funds) and Kunal Dogra (M&A). It also included associates Andrew MacKinlay and Bianca Tomassini (Private Funds); partner James C.H. Lee and associates Lauren Kim, Jack Morant, J.
