Proskauer Advises Experienced Capital on Acquisition of VIOLETTE_FR

December 6, 2024

PARIS, December 6, 2024 – Proskauer, a leading international law firm, announced today that it advised Experienced Capital (ECP), a growth capital fund based in Paris focused on aspirational brands, on its acquisition of a stake in VIOLETTE_FR.

The investment is part of a Series B fundraising round led by Silas Capital, a U.S.-based growth equity fund specializing in the consumer sector, alongside Monogram Capital Partners and Felix Capital.

Founded in 2021, VIOLETTE_FR quickly became a reference in the beauty market— in the U.S., France, and internationally— for its ability to redefine the codes of contemporary beauty and its multi-category products that are both highly creative and environmentally friendly.

This fundraising will allow VIOLETTE_FR to take a significant step forward in its development, focusing on several key strategic priorities: innovation and product development, strengthening logistics and investing in inventory to support expansion in the U.S. and internationally, technological investment, tactical recruitment, and CSR engagement.

The Proskauer team was led by partner Matthieu Lampel and included counsel Aymeric Robine (M&A).
