Question of the Week:

How do you expect SEC exams and enforcement to evolve in 2025?

February 11, 2025

As we head further into 2025, the landscape of SEC exams and enforcement is poised for significant shifts. How will the SEC adapt to emerging trends and evolving market dynamics? In the first issue of Beyond the Deal in 2025, four of our regulatory lawyers weigh in on what to expect. From new regulatory priorities to potential enforcement challenges, they offer key insights into how the SEC's approach to private fund manager exams and enforcement may evolve in the year to come.
