Litigators of the Week: US Soccer and MLS Fend Off Claims They Conspired to Scuttle Rival League's Prospect

February 7, 2025

A Proskauer team led by Bradley Ruskin and Kevin Perra was named Litigators of the Week by The American Lawyer for the unanimous jury defense win for our client Major League Soccer and co-defendant U.S. Soccer Federation (represented by Latham & Watkins). The significant verdict in the antitrust trial—rejecting NASL's claims of an antitrust conspiracy—highlights our team's effective defense. Congratulations to the entire team, which included Colin Kass, Keisha-Ann G. Gray, Scott Eggers, Adam Farbiarz, Tara Brailey, Jake Butwin, Genesis Sanchez Tavarez, and Perry J. Kumagai.
