Shaping Up for a Busy 2025

Private Debt Investor on **March 10, 2025**

Investors are increasingly turning their attention towards evergreen structures and more opportunistic strategies as they prepare for a busier year. Partners Gary Creem, Michael Mezzacappa, and Kelli Moll sit down with *Private Debt Investor* for a Q&A about the trends and innovations that continue to drive change across private credit, and what may lie ahead for the asset class over the coming 12 months.
