

# Proskauer Secures Full Payment of Unsecured Claims in Zachry Holdings Inc. Chapter 11 Case

March 11, 2025

**NEW YORK, March 11, 2025** - Leading international law firm Proskauer, in its role as counsel to the statutory unsecured claim holders' committee in the Chapter 11 cases of Zachry Holdings Inc., announced that it has secured payment in full of all general unsecured claims through a highly favorable restructuring plan. The plan, confirmed by Judge Marvin Isgur in the U.S. Bankruptcy Court for the Southern District of Texas, ensures that the approximately \$600 million of unsecured claims will be fully satisfied, with the vast majority paid in full during the case and the remaining claims receiving 100% recoveries, plus interest.

Unsecured creditors with claims unpaid as of the plan's effective date will either be paid in full in cash or receive secured notes with a face amount equal to their claim plus post-petition interest at the federal judgment rate, bearing an attractive 15% interest rate going forward. The court stated at the confirmation hearing, "If you look at what the Unsecured Creditors' Committee achieved, it's a remarkable achievement to turn unsecured claims to secured claims with high interest rates." The secured notes will also be tradeable, which will enable creditors to obtain immediate liquidity if they choose.

The restructuring also ensures that Zachry Holdings Inc. emerges from bankruptcy well-positioned to continue providing world-class services to its customers and serving as a valuable and reliable business partner to its vendors, including many of the general unsecured creditors. The approved plan maintains vital business relationships, preserves jobs and bolsters the company's financial stability and growth prospects.

"We are proud to have achieved such a favorable outcome for the unsecured creditors," said Ehud Barak, partner at Proskauer. "This plan not only delivers full payment to unsecured creditors but also provides them with strong protections and the opportunity to continue valuable business relationships with a strengthened Zachry Holdings."
