Missing Piece of the Puzzle: A Special Keynote Interview

Private Equity International on **April 1, 2025**

In a new keynote interview, Proskauer partners Jennifer Dunn, Grant Darwin, and Ryan Carpenter speak with *Private Equity International* about the increasing interest in GP stakes investments among LPs as they gain a deeper understanding of the product. They also discuss how new capital resources help emerging managers scale operations, the rise of dedicated GP seeding and stakes funds, and investors' preference for established firms. Additionally, they explore investment timelines, evolving exit strategies, and the development of a robust secondary market for GP stakes investments.
