

Proskauer Advises Financing Sources in Connection with Empark's Offering of €300 Million of Senior Secured Notes

April 17, 2025

LONDON, April 17, 2025 – Proskauer, a leading international law firm, advised the financing sources in connection with Empark's offering and sale of senior secured floating rate notes totaling €300 million in aggregate principal amount. Empark (known commercially as Telpark) is an Iberian-focused car parking company owned by Macquarie Infrastructure and Real Asset. The net proceeds were utilized to fund the redemption of its outstanding floating rate senior secured notes, due 2030, as well as to fund a dividend.

Proskauer also advised financing sources on an amendment and restatement of the existing revolving credit facility (RCF) in connection with the notes offering, which involved upsizing the committed amount by €25 million to €125 million and extended the maturity of the RCF.
