

Proskauer Advises Grupo Nutresa S.A. on \$2.0 Billion Bond Issuance

May 14, 2025

Issuance of Notes Marks Multiple Milestones for Latin American and Colombian Bond Markets

SÃO PAULO and NEW YORK, May 14, 2025 – Leading international law firm Proskauer announced today that it advised Grupo Nutresa S.A. and its subsidiaries (together “Grupo Nutresa”) on the issuance of \$2.0 billion in notes in the Rule 144A and Regulation S markets. The proceeds of the notes were used to repay a \$2.0 billion bridge loan borrowed by Grupo Nutresa, a Colombian food conglomerate with diversified operations in Latin America and the United States, on March 21, 2025. The initial purchasers of the notes and lead arrangers for the bridge loan were Goldman Sachs, Deutsche Bank, JP Morgan, Citibank and BTG Pactual.

The issuance of the notes marked several milestones for the Latin American and Colombian bond markets, including being the largest ever inaugural bond issuance by a Latin American private company; by a Colombian issuer, matching issuances by Colombian state-owned oil company Ecopetrol; and by a Latin American corporate issuer in more than two years, since Mexican state-owned oil company Pemex in 2023.

The notes were rated investment grade by Moody’s and were divided into two tranches of \$1.0 billion 8.000% senior notes due 2030 and \$1.0 billion 9.000% senior notes due 2035.
