NEW YORK, July 14, 2025 – Proskauer is pleased to welcome GP solutions partner Stefan Paulovic in the Firm's New York office. Stefan is one of the leading strategic and innovative advisors in the GP solutions space over the last decade and brings deep expertise and market knowledge in GP stakes and other complex asset management transactions. He will expand the Firm's GP solutions capabilities across all deal types including asset management M&A, minority stake investments, sponsor-level preferred equity transactions, joint ventures, spin-outs, seed deals and sponsor-level economic and governance arrangements including succession planning and value creation initiatives. Stefan will work collaboratively across a number of practice areas and groups, including the Firm's Private Equity Transactions, Private Credit and Private Investment Funds Groups.

"Stefan's arrival reflects our commitment to expanding the depth and capabilities of our GP solutions platform. He joins the Firm as the demand for sophisticated GP solutions is accelerating across equity, debt, and hybrid strategies," said Firm Chair Tim Mungovan. "With a market-leading track record and extensive private equity experience, Stefan adds immediate value to our team."

Stefan will work in close partnership with Proskauer partners Grant Darwin and Steven Peck to lead the Firm's comprehensive GP solutions practice area. Grant and Steven have deep experience advising private capital sponsors on M&A, joint ventures, and secondary transactions. Stefan adds a complementary perspective rooted in years of experience in portfolio company M&A, fundraising and, over the past decade, a focus on the GP solutions space. Together, they will cover the full market, from buy-side to sell-side.

“The GP stakes market is evolving quickly, and private capital sponsors are looking for advisors who can connect the dots between M&A strategy, market knowledge, and the variety of transaction structures best-suited to achieve sponsors’ goals. Stefan has the skill and experience to do just that. We are excited to welcome him to the Firm,” said Sarah Stasny, head of Proskauer’s Private Equity Transactions Group – US.

“I’m thrilled to join a team of top-tier talent at Proskauer,” said Stefan. “Proskauer has a tremendous private capital platform and a clear commitment to the GP solutions space. I look forward to working with colleagues across Private Funds, Private Credit, and Private Equity Transactions to deliver high-value commercial and strategic counsel to both sponsors and investors.”

Stefan received his B.A. from Cornell University, his M.B.A. from INSEAD, and his J.D. from Columbia Law.
