Proskauer In-House Alumni Boston Private Capital Dinner

July 15, 2025

In a revamped approach to the Boston office's annual alumni event, partners from the Private Credit, Private Investment Funds and Tax groups hosted a dinner at Mistral for the office's in-house private capital alumni. The gathering provided an intimate setting for alumni to reconnect with former colleagues and current attorneys with whom they'd worked closely during their years at Proskauer.

The evening also provided alumni an opportunity to reflect on their post-Proskauer career paths, their professional successes and how their personal lives and responsibilities have evolved since leaving the Firm.

"What a privilege to have worked for, trained with, and received mentoring from such high-quality people. I will always be grateful to my Proskauer 'family' for starting me off on the right footing in my career."

Nancy Ni, Lead Senior Counsel, Cambridge Associates

Attendees included in-house alumni from 5am Ventures, ARBRY Partners, Ares, Liberty Mutual Investments, Summit Partners and Wellington Management, among others.

The gathering also marked the Boston office's first opportunity for in-person alumni engagement during the celebration of Proskauer's 150th anniversary.

After thanking everyone for attending, PIF partner **Camille Higonnet** shared some fun facts about Proskauer history from the Firm website, “Proskauer’s ‘client list by 1900 had grown to include clients from a vast array of companies, including cigars and tobacco, department stores, theatrical, silks, and other textiles, beer and liquors, [and] clothing and real estate,’” she read before adding in her own words. “Evidently Proskauer has known how to throw a party for some time.”

The comment drew laughter from the crowd and set the tone for a memorable evening.

“I still can’t believe it had been almost 10 years since I saw some of those familiar faces…. I loved how we all picked up right where we left off, like no time had passed at all.”

Sascha Rosebush, General Counsel, Third Rick Ventures

“Gathering with this familiar group of Proskauer Boston alumni, I felt immense gratitude,” commented **Nancy Ni**, lead senior counsel at Cambridge Associates. “What a privilege to have worked for, trained with and received mentoring from such high-quality people. I will always be grateful to my Proskauer ‘family’ for starting me off on the right footing in my career. I have the utmost respect for their work stamina, intellectual and substantive rigor and genuine dedication to their clients and collaboration with each other. It was a wonderful event!”

“I had an amazing time at the alumni dinner,” admitted **Sascha Rosebush**, general counsel at Third Rock Ventures. “I still can’t believe it had been almost 10 years since I saw some of those familiar faces! In particular, I loved how we all picked up right where we left off, like no time had passed at all. It was all laughs, good memories and great conversations. I’m already looking forward to the next gathering!”
