Insights on the NAV Financing Market - Full Year 2025

February 2, 2026

In the third iteration of our “net asset value” (NAV) financing market survey, we engaged traditional banks, non-bank lenders and borrowers across North America, Europe, Asia-Pacific and Latin America to capture key trends and activity in 2025, as well as perspectives on what to expect in 2026. We share our findings from the survey in this report.
