April 27, 2026

LONDON, April 27, 2026 – Proskauer advised Shackleton Advisers Limited (“Shackleton”) on its acquisition of the Hurst Point Group (“Hurst Point”).

This transaction represents Shackleton’s largest acquisition to date and will create one of Britain’s largest independent financial planning firms. The acquisition of Hurst Point includes both its financial planning and investment management businesses.

The enlarged Shackleton business will have ~£17.5bn in assets under advice/management, over 44,000 clients nationwide, 233 FCA authorized and regulated financial advisers and investment managers, 38 offices in towns and cities across the country and 850+ employees

Following completion of the transaction, which remains subject to regulatory approval, Andrew Fisher and Paul Feeney will continue to serve as Non-Executive Chairman and Chief Executive Officer of the combined business, respectively. Andrew Westenberger, current Chief Executive Officer of Hurst Point, will join the Shackleton Executive Committee upon completion.

Hurst Point’s existing majority shareholder, Carlyle, will become a minority investor in Shackleton alongside funds managed by Lee Equity Partners, LLC, which became Shackleton’s majority shareholder in November 2025.
