Matthew Koch Honored as an Outstanding Young Restructuring Lawyer by *Turnarounds & Workouts*

May 4, 2026

NEW YORK, May 4, 2026 – Proskauer is proud to announce that partner Matthew Koch has been named an Outstanding Young Restructuring Lawyer by *Turnarounds & Workouts.* The award recognizes a select group of 12 lawyers under the age of 40 who have demonstrated remarkable achievements in the field over the past year.

A member of both Proskauer's Restructuring Group and its Private Credit Restructuring Team, Matt advises many of the firm's most significant clients across a range of industries, including healthcare, manufacturing, software, aerospace, retail, financial services, entertainment, and automotive. His work over the past year exemplifies the sophistication, leadership, and client impact this award seeks to recognize.

His practice reflects how the restructuring market has evolved, with private credit lenders increasingly playing a central role in corporate restructurings, as the asset class has experienced significant growth in the last several years—a trajectory expected to continue.

Recognizing his significant contributions to the field and firm, Proskauer promoted Matt to partner in November 2025. Over the past year, he has co-led and played central leadership roles in numerous high-stakes, complex restructuring matters (both in and out of court) involving more than $13 billion in aggregate funded debt. He has also advised sophisticated direct lenders, ad hoc groups, and investment managers through complicated capital structures, contested DIP financings, expedited sale processes, regulatory and tax challenges, and mission-critical intercreditor disputes.

Since 2024, Matt has led lender-side strategy in restructurings involving billions of dollars in funded debt and hundreds of millions of dollars in DIP financing. He regularly advised clients serving in multiple capacities—as secured lenders, DIP providers, and plan sponsors—navigating complexities inherent in complicated capital structures facing significant distress to deliver concrete, commercial outcomes for his clients.
