Proskauer Advises Sale of InvestHub to Dynamo Software

May 19, 2026

PARIS, May 19, 2026 – Proskauer advised the shareholders of InvestHub, a platform specializing in the digitalization of workflows for private equity firms and asset managers, on the sale of their shares to Dynamo Software, a leading provider of AI-powered technology solutions for alternative investment management.

This transaction enables Dynamo Software to strengthen its operational capabilities in private markets by integrating InvestHub's solutions, particularly across key strategic workflows related to investor onboarding, subscriptions, compliance, capital calls, and distributions.

Through its modular and highly customizable platform, InvestHub streamlines and automates complex processes, helping asset managers optimize operations and enhance investor relationships.

With a strong client base and recognized market expertise, InvestHub supports its clients in reducing administrative burdens and improving operational efficiency. InvestHub's Paris-based team will continue to support its clients, who will also benefit from access to Dynamo Software's global platform, technology resources, and client support infrastructure.

The Proskauer team consisted of partner Jeremy Scemama and associate Vanessa Hamiane (Private Equity M&A).
