Proskauer Continues Global Finance Growth with Addition of Bryon Mulligan in Charlotte

June 3, 2026

Charlotte, June 3, 2026 – Proskauer announced today that Bryon Mulligan has joined the Firm as a partner in its Global Finance practice in Charlotte. Bryon focuses on issues arising under the Uniform Commercial Code (UCC) in connection with a wide spectrum of transactions.

“Bryon is a strong addition to our Global Finance team and Charlotte office,” said Justin Breen, co-head of Proskauer’s Global Finance practice. “Commercial finance transactions continue to evolve in complexity. Bryon’s technical expertise and broad transactional experience will further enhance our ability to provide sophisticated counsel to our clients as they navigate changing landscapes. We’re delighted to welcome him to the partnership.”

Bryon is a seasoned commercial finance lawyer with broad experience across leveraged finance, syndicated bank loans, and structured financings, including emerging areas such as Bitcoin-backed ABS offerings and crypto custody arrangements under the UCC. He also advises on data center project financings, warehouse lending, commodity and hedge fund financings, and restructurings. Bryon serves as co-chair of the Investment Securities Subcommittee of the American Bar Association's Uniform Commercial Code Committee and co-chair of the ABA Business Law Section's UCC Article 8 Modernization Task Force.

“Proskauer has built a premier global finance platform with tremendous depth advising clients on a wide range of issues across the debt markets,” said Bryon. “I look forward to working with this team to counsel clients on their most significant transactions.”

Bryon's addition reflects the continued strategic growth of Proskauer's Global Finance offering and its commitment to expanding in markets that are critical to our clients, including Charlotte. Since 2024, the Firm has welcomed 28 Global Finance partners worldwide, significantly strengthening its expertise in leveraged finance, private credit, structured credit, and fund finance.
