Proskauer

Lending & Secured Finance Laws and Regulations 2026

ICLG on **July 1, 2026**

In this chapter of International Comparative Legal Guide – Lending & Secured Finance Laws and Regulations 2026, partner Sandra Lee Montgomery and associate Andrew Lyon highlight notable current events in the private credit market and examine key financing terms and trends across all bands using Proskauer's proprietary data. The analysis also discusses the related market drivers and trends influencing the continuing evolution of private credit deal terms.
