Banking & Finance Massachusetts – Chambers USA 2010

June 2010

Massachusetts

Banking & Finance

Band 2

The Firm: This well-respected practice advises on junior capital matters and leveraged finance including acquisition financings, working capital loans and asset-based facilities and distressed debt. Clients include Solar Capital, Sankaty Advisors and Regiment Capital Advisors.

Sources Say:*"A vibrant finance practice with excellent depth and breadth."*

Key Individuals: Steven Ellis focuses on finance transactions and restructuring matters and impresses market observers as "*a committed lawyer, frank and convincing.*" He represented Wells Fargo Foothill in connection with a $50 million facility to Aquent, a provider of marketing and staffing services. Stephen Boyko advises on transactions involving mezzanine, second-lien, preferred stock and other forms of junior capital. Interviewees appreciate his knowledge of intercreditor agreements and find his approach "*constructive and straightforward.*"
