Corporate/M&A: Highly Regarded

The Firm: This firm concentrates on complex midmarket M&A, acting for strategic companies and financial sponsors. The most prominent corporate offices are in Los Angeles, DC and New York. Recent highlights include advising a committee of independent directors on the board of the Student Loan Corporation in connection with three related transactions totaling $40.7 billion. In other news, the firm represented Darwin Deason, the founder, chairman and largest stockholder of Affiliated Computer Systems, in Xerox's $6.4 billion acquisition of the company, and acted for Grifols in its $4 billion agreement to acquire Talecris Biotherapeutics.

Key Individuals :Jeff Horwitz and Peter Samuels lead the M&A group from New York.
