**Investment Funds: Private Equity: Fund Formation**

**Band 3**

The Firm: This firm excels in the full range of fund formation matters and is notably active on the investor side. Much of its recent work has centered on secondary funds and large-cap fund-raising. The team draws on the firm's strength in corporate and ERISA matters, and also benefits from its dedicated fund taxation group.

Commercial Awareness: "The team is very user-friendly and gives great guidance on recent developments."

Key Individuals: Robin Painter cochairs the investment funds group and complements her private equity expertise with tremendous corporate experience.
